The screenshot shows the TUTOR diagnostic quiz results. On the left, a 'Results' box displays a score of 0%, 0 correct, 0 skipped, and 5 incorrect. On the right, a 'Brilliant!' message states that the system knows enough about the user's knowledge to recommend a course. The recommended course is 'Stage 1 - Part 1', which has 5 ideas and 16 goals. A blue arrow points to the '+ ADD' button below the course card. At the bottom of the page, there is a 'BACK TO DASHBOARD' button. The browser's address bar shows the URL: tutor.completemaths.com/diagnostics-quiz/34e66b7a-3b74-4c91-8fcf-7af111f43b84. The Windows taskbar at the bottom shows the search bar, various application icons, and the system tray with the date 07/02/2023 and time 14:46.

Eventually the system will gain enough information about you to assign you a stage to work at. Click “Add” to add this to your dashboard.
