

To act justly, to love with mercy and to walk humbly with our God – Micah 6:8

June 2023

Dear Parent/Carer

Firstly, I hope this letter finds you well. I am very pleased to share with you the link to our fantastic recent Ofsted report. There are many references to how happy pupils are here at EPC and we are confident that your child will feel the same when they join us in September: <https://epcollege.org/ofsted-good-school/>

Transition Days

I would like to confirm the details of our 2 transition days that we are holding at EPC on 5th and 6th July.

Your child is invited to attend on both days. Primary schools are aware of these dates and are expecting your child to be with us during this time.

- They are to arrive at 9am via the gates on Whitby Road, opposite the Police Station.
- They will finish at 2:45pm and will exit from the same gate.
- Children should arrive in their primary school uniform.
- Lunch will be provided for all pupils on both days.
- They will need to bring a water bottle with them for the day.

Induction Evening

We would like to invite you to the Induction Evening on Thursday 6th July at 6:00pm. You will enter the building through the main entrance at the front of the building.

During the evening you will get to meet our team, including your child's form tutor. We will also provide valuable information to ensure that the transition process is smooth as possible for both yourself and your child.

Data Collection

Prior to your child starting with us in September, please complete and return the enclosed data collection pack either by post to the school address above or by bringing it with you to the Induction evening on 6th July.

Throughout the transition process, we want to be able to answer questions, address any concerns from pupils and parents/carers and ensure that all pupils are ready, prepared, confident and excited for their first day in September. You can email transition@epcollege.org at any time with questions that you would like an answer to.

If you have any further queries, please do not hesitate to contact us.

Yours sincerely

Mrs C Green
Principal
