## Our Vision

### ***To act justly, to love with mercy and to walk humbly with our God - Micah 6:8***

At Ellesmere Port Church of England College we seek to build a community of faith where our students have the cultural capital to follow unlimited ideas and dreams. Above all else, we want our students to experience the fullness of life, where the sort of person they become is of paramount importance.

To **BE MORE** is to be a community which aspires to act justly in all situations; to be kind towards those inside and outside the College; and to be open to God's guidance in all areas of our lives.

## Introduction

This is a statement of The Special Educational Needs and Disability policy for The Ellesmere Port Church of England College. It provides guidelines for the procedures adopted by the College and its governors which support the removal of barriers to learning of all pupils with additional needs. This policy attempts to ensure that all consideration and implementation of the support for pupils with special educational needs and/or disabilities is consistent with the College's Mission Statement "To act justly, to love with mercy and to walk humbly with our God" Micah 6:8 and our Trust motto "Aspire not to have more but to be more".

We are dedicated to ensuring that our College environment supports the learning and the well-being of all pupils and staff through a strong sense of Christian community cohesion. Courage, justice, honesty, compassion, gratitude, humility, integrity and respect are the moral virtues within our Christian community and we work hard to provide a safe College where all pupils, whatever their needs, feel included in every aspect of College life and comfortable to voice their opinions.

This policy outlines our intent and offer in support of pupils with special educational needs and disabilities to ensure that the 'Be more' experience is inclusive and equitable.

## Moral Virtues

We believe that all pupils should be aware of the standards of behaviour expected at our college. These standards are underpinned by our moral virtues within our Christian context and we expect all members of our college community to take responsibility for living these out on a daily basis. Positive relationships throughout The College are built on a set of shared virtues:

### **Justice - "Grant justice and do what is fair" Colossians 4:1**

**Definition:** *Our College rules are fair and reasonable.*

**Example:** *Showing that you know when you need to stand up for what is correct and appropriate with the context of our moral virtues and Consistency Across the College.*

### **Humility - "Humble yourselves in the sight of the Lord" James 4:10**

**Definition:** *we aim to ensure that everyone in our community has a place and a voice that will be heard.*

**Example:** *To celebrate all our achievements in a respectful manner.*

### **Respect - "Do to others as you would have them do to you" Luke 6:31**

**Definition:** *treat others how you would wish to be treated yourself.*

**Example:** *Holding the door open for any member of our community.*

### **Courage - “Be strong and courageous. Do not be afraid” Joshua 1:9**

**Definition:** *the quality of having strength in the face of difficulty.*

**Example:** *Being confident to express opinions and ideas within the College.*

### **Integrity - “The godly walk with integrity” Proverbs 20:7**

**Definition:** *the quality of having strong moral virtues.*

**Example:** *Knowing that we should all try and do the right thing when faced with adversity.*

### **Compassion - “Clothe yourselves with compassion” Colossians 3:12**

**Definition:** *the quality of having concern for others.*

**Example:** *Showing kindness and care for others within the College and our community.*

### **Honesty - “He delights in those that tell the truth” Proverbs 12:22**

**Definition:** *the quality of being truthful.*

**Example:** *Telling the truth in all situations even when it is hard to do so.*

### **Gratitude - “Give thanks to the Lord, for he is good: his love endures forever” Psalm 107:2**

**Definition:** *the quality of being thankful and showing appreciation.*

**Example:** *Saying please and thank you wherever possible.*

“A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for him or her” SEND Code of Practice 2014

**A child of compulsory school age or a young person has a learning difficulty or disability if he or she:**

- has a significantly greater difficulty in learning than the majority of others of the same age,
- has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions”

This policy will set out how the College fulfils, working intrinsically within our Christian ethos, the statutory requirements of the Special Educational Needs Code of Practice, 2014 and The Equality Act 2010.

## Objectives

The objectives of The Ellesmere Port Church of England College SEND policy are:

- To establish a compassionate environment where removing barriers to learning is at the heart of our school and Christian Ethos
- To ensure that the needs of each individual pupil are justly identified, assessed and provided for with integrity and care.
- To ensure that all children are welcomed and treated with dignity and respect as people created in the image of God.
- To maximise access to the National Curriculum by providing a broad and balanced, knowledge rich curriculum which meets the needs and abilities of all pupils, both in content and delivery, so maximising their access to social, intellectual and cultural capital.
- To maximise opportunities for the integration and inclusion of all pupils ensuring they play a full and active role in school life, socially, culturally and intellectually
- To establish procedures which allow for the effective assessment, monitoring and review of the progress of all pupils requiring something “additional to or different from” the “ordinary differentiated curriculum” (SEND Code of Practice 2014)
- To promote effective, honest, co-operation with all stakeholders including parents, carers and outside agencies.
- To prepare pupils to make a successful and aspirational transition to the next phase in their education in order to access the fulness of life and “Be more”.

## Responsibility for Special Educational Needs

The Governing Board, in conjunction with the Principal, should determine the school policy and approach to provision for pupils with special educational needs and disabilities, SEND Responsibility for the management of the College’s provision for pupils with SEND lies with the Principal.

Responsibility for the day to day operation of the College’s Special Educational Needs and Disability Policy lies with the Special Educational Needs and Disability Coordinator (SENDCo), details of which are included throughout this policy.

All teachers are teachers of pupils with additional needs. It is the responsibility of classroom teachers, working justly and with integrity, to monitor and support SEND pupils’ progress: it is the responsibility of the SENDCo to ensure that information and strategies specific to SEND needs are shared with teachers and that appropriate training is offered to enhance expertise.

## Arrangements for Co-coordinating Special Needs Provision

Co-ordinating provision for SEND pupils is the responsibility of the SENDCo in consultation with the wider Senior Leadership Team (SLT).

Such arrangements may include identification, assessment, provision for, monitoring and review of pupils' needs alongside liaison with parents and outside agencies.

However, the implementation and monitoring of the strategies and interventions to support pupils is the responsibility of whole school community.

## Admission and Accessibility Arrangements

The Ellesmere Port Church of England College strives to be a fully inclusive mainstream, Christian school. We promote a culture of aspiring to be the best you can be: the person God created you to be. All pupils are welcome and the College follows the procedures set down at national and local level for pupil admissions.

Pupils will gain admission through the standard local authority (LA) procedures. The College is fully accessible to all pupils. It has a lift which enables pupils to access their lessons on all floors. The building is fully wheelchair accessible and there are disabled toilets on each floor, alongside changing and shower facilities.

## Provision

All pupils are taught within mainstream classes: this reflects our commitment to act justly and with inclusivity, acknowledging that all pupils have an entitlement to share the same learning experiences and aspirational journey as their peers. Subject teachers must ensure that they are aware of the additional needs of pupils in their classes, referring to the school's Special Educational Needs Care and Action Register (SEND CAR) provided by the SENDCo and updated termly. They must also ensure that they work compassionately to support strategies shared, including reasonable modifications, to remove barriers to learning.

## Allocation of Resources

Funding for SEND is allocated to the College through the system currently employed by the LA. For most pupils, their SEND needs will be met through quality first teaching, underpinned by thoughtful and informed scaffolding. Some pupils receive individual funding to support their needs specifically which will be directed in line with the statutory outcomes detailed in their education and health care plans or individual funding agreements.

## Arrangements for Identification, Assessment and Review of Pupils with Special Educational Needs

The College's procedures for the identification, assessment and review of pupils follows the guidance given in the Special Educational Needs Code of Practice 2014.

A SEND CAR for pupils with learning difficulties is maintained and updated termly by the SENDCo.

Areas of special educational need will be categorised as follows:

- Communication and Interaction
- Cognition and Learning
- Social, Emotional and Mental Health Sensory and/or Physical

The Ellesmere Port Church of England College adopts a graduated response to needs. For most SEND pupils, our intent is that needs will be met in the mainstream classroom supported by access to the same, knowledge-rich curriculum as their peers.

However, if school-based resources have been fully exhausted and a pupil is failing to flourish, then outside agency support may be sought, including the request for additional funding from the Local Authority if needed. For some pupils this may mean that a request for a statutory assessment of needs will be requested. This request will be made for only our most complex pupils, working alongside pupil and parent/carer collaboratively to ensure all voices are considered.

Progress of all pupils with additional needs at the College is closely monitored via fortnightly Guidance and Support, GAS, meetings, half termly Learning Programmes and termly Additional Intervention Meetings (AIM) to discuss provision and suggest intervention appropriate to need, both academic and pastoral.

## **Curriculum Access, Exams and Inclusion**

The Ellesmere Port Church of England College is an inclusive school improving pupils' outcomes through encouraging a sense of community and belonging through its:

- Christian ethos
- Broad and balanced, knowledge rich curriculum for all pupils in terms of courses, content and delivery;
- Identification of barriers to learning and participation
- High expectations of, and aspirational targets set for, all pupils;
- Commitment to integrate all pupils into every aspect of College life in its fullness

In terms of the above, Pupils with SEND may need special arrangements to ensure equitable access to public examinations. Pupils may need to be assessed and their needs identified as follows:

- Pupils who may need access arrangements will be identified at the start of each academic year via the SENDCAR,
- Appropriate investigations and assessments will be utilised to inform support before outside assessment is sought in Year 9/10
- The SENDCo will liaise with the exams officer to ensure that necessary applications are made and access arrangements are agreed
- Access arrangements agreed will become the normal way of working for pupils in class

## **Evaluating Success**

The success of the College's policies and provision for special educational needs and disability is evaluated through:

- Review meetings with parents/ carers and pupils
- Monitoring of progress, academic and social/emotional via GAS and AIM meetings
- Learning Programmes of study and assessments
- Parental feedback from Review Days and Parental "drop ins"
- The Governing Board's Annual Report to Parents.

## **Staff Development**

The SENDCo is responsible, in consultation with the wider SLT, for whole staff development relating to SEND. This may include in house training and also wider outside agency support as required.

## **External Support Services**

These will be sought according to need, following a graduated response to needs.

The College works collaboratively and productively with all external agencies and values their support in ensuring additional needs are met in the best way possible at EPC.

## **Partnership with home**

The Ellesmere Port Church of England College aims to work collaboratively with the parents and carers of SEND pupils to ensure a mutually respectful working relationship, based upon trust and humility.

Parents and carers will be encouraged to be fully involved in their child's education. Open and honest communication is encouraged and the College is committed to ensuring parent and carer voice informs our practice.

## **Transition Arrangements**

The College works closely with its primary, secondary and further education partners to ensure the smooth transfer of all pupils but especially those with special educational needs who may need enhanced transition arrangements.

The SENDCo works closely with primary colleagues and specialist services to gather information prior to secondary school transition. This includes meeting with all parents/carers of pupils with complex needs and those with an EHCP to ensure:

- Transition is as positive and anxiety as possible for pupils/parents and carers
- Detailed information regarding need is provided for teaching staff
- Necessary support and/or modifications are in place

Furthermore, for pupils with an EHCP, Annual Reviews in Y9 and Y11 will inform their Transition Plans to ensure an appropriate and aspirational programme for KS4 and 5. All agencies involved with each pupil will be included in this review which will be evaluated as the pupil moves through the key stages.

## **Links with Outside Agencies**

The SENDCo and wider pastoral team are the key links with these agencies and services. We will work diligently to ensure the best practice and support for all SEND pupils is informed by these collaborative partnerships

## **Arrangements for Complaints**

Any complaint specific to SEND should, in the first instance, be referred to the SENDCo. Failure to resolve complaints would lead to the matter being referred by incremental escalation to:

- the Principal;
- the Governing Board
- Independent Parental Supporters, IASS
- The Trust Board

## **Monitoring, Evaluation and Review of the Policy**

The Governing Board will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the College in line with our Christian ethos and values in supporting our children to aspire to be more.
