

## FAQs for the Conway Centre Residential Trip

1. What is the duration of the residential trip?

- The trip is Wednesday 17<sup>th</sup> July to Friday 19<sup>th</sup> July.

2. What should my child pack?

- A kit list has been provided, which includes clothing suitable for your child's stay.

3. How will the students be supervised?

- Students will be under constant supervision by school staff and Conway Centre instructors. There will always be a staff member available in case of any need or emergency.

4. What are the sleeping arrangements?

- Students will be staying in gender-segregated dormitory-style rooms. Room assignments will be provided on arrival at the centre.

5. Will meals be provided?

- Your child will need a **packed lunch** for the first day. All other meals are provided by the centre. The centre caters to various dietary requirements; please inform us in advance if your child has any special dietary needs. Also refer to the menu provided.

6. What kind of activities will the students participate in?

- The students will engage in a variety of educational and recreational activities, including team-building exercises, nature walks, and arts and crafts. Please refer to the itinerary.

7. Is there a contact number for emergencies?

- Yes, in case of emergencies you can contact the school in school hours. If not in school hours you can contact the centre on 01248714501

8. How can I update my child's medical information?

- Please provide any updates to your child's medical information before the trip. You can do this by contacting school.

9. What is the policy on electronics?

- We encourage students to disconnect from electronics during the trip to fully engage with the experience. However, they may bring a mobile phone for emergency use only and during limited specified times. Mobile phones are not to be used during the activities.

10. How will I receive updates during the trip?

- We will provide updates and photos through social media platforms. Twitter - @TheEPCollege

Please let us know if you have any other questions or concerns. We're looking forward to an exciting and educational trip!
