

Year 12 Geography

The LORIC skill focus for his LP is: RESILIENCE			Literacy:
The Moral Virtues focus for this LP are: RESPECT and JUSTICE			 Capital letters must be used at the star
Respect - treat others how you would wish to be treated yours	elf		of sentences and for the first letter of
Justice - our College rules are fair and reasonable.			proper nouns
What will I be learning about in this Learning Programme?			Full stops must be used at the end of a
how urban areas impact the climate. How urban areas can manage their	r waste. How urban areas can become more sustainable		sentence
What place is and how it can have different meanings for different peop			 Question marks must be used at the end of a question
what place is and now it can have unreferr meanings for unreferre peop			Apostrophes should only be used for
			possession or omission
Where have I seen this learning before?			Days of the week and months must be
KS4 urban environments.			spelled correctly
			Key words must be spelled correctly
What could I use it for?			
Summer exam series 2026.			
In LP3.1, I will know: 06	/01/25 - (WK 2)	Key Vocabulary	Homework
the impact of urban forms and processes on climate and weather;			Extra reading;
the urban heat island effect:		Urban heat island	Questions.
how precipitation and thunderstorms impact urban areas.		Orban meat island	
•	/01/25 - (WK 1)	Key Vocabulary	Homework
how urban precipitation impacts on:			Extra reading;
drainage basin storage areas; the urban water cycle;		Water Cycle	Questions.
how wind is channelled by urban environments.		water eyere	
now wind is chaintened by arban environments.			
	/01/25 - (WK 2)	Key Vocabulary	Homework
what SUDS are;			Extra reading;
a case study of a river restoration project.		Sustainable urban	Questions.
		drainage	
In LP3.4, I will know: 27	/01/25 - (WK 1)	Key Vocabulary	Homework
how urban areas produce and manage their waste;			Extra reading;
alternative approaches to waste disposal;			Questions.
16		Incineration	
the comparisons of incineration and landfill approaches to waste;		memeration	
the comparisons of incineration and landfill approaches to waste; what air pollution is and policies to reduce them.		memeration	
what air pollution is and policies to reduce them. Extended Task.		memeration	
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: 03	/02/25 - (WK 2)	Key Vocabulary	Homework
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas;	/02/25 - (WK 2)		Extra reading;
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area.	/02/25 - (WK 2)		
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas;	/02/25 - (WK 2)	Key Vocabulary	Extra reading;
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area.	/02/25 - (WK 2)	Key Vocabulary Sustainable urban	Extra reading;
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities.		Key Vocabulary Sustainable urban living	Extra reading; Questions.
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. Strategies for developing more sustainable cities. In LP3.6, I will know: 10	/02/25 - (WK 2) /02/25 - (WK 1)	Key Vocabulary Sustainable urban	Extra reading; Questions. Homework
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities.		Key Vocabulary Sustainable urban living	Extra reading; Questions.
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities. In LP3.6, I will know: what is place and a sense of place:		Key Vocabulary Sustainable urban living	Extra reading; Questions. Homework Extra reading;
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities. In LP3.6, I will know: what is place and a sense of place: the different perspectives of place - insider and outsider:		Key Vocabulary Sustainable urban living Key Vocabulary	Extra reading; Questions. Homework Extra reading;
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities. In LP3.6, I will know: what is place and a sense of place: the different perspectives of place - insider and outsider: the different categories of place.	/02/25 - (WK 1)	Key Vocabulary Sustainable urban living Key Vocabulary	Extra reading; Questions. Homework Extra reading;
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities. In LP3.6, I will know: what is place and a sense of place: the different perspectives of place - insider and outsider: the different categories of place.		Key Vocabulary Sustainable urban living Key Vocabulary	Extra reading; Questions. Homework Extra reading; Questions.
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities. In LP3.6, I will know: what is place and a sense of place: the different perspectives of place - insider and outsider: the different categories of place. LP3 RLW, I will: 24	/02/25 - (WK 1) /02/25 - (WK 2)	Key Vocabulary Sustainable urban living Key Vocabulary	Extra reading; Questions. Homework Extra reading;
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities. In LP3.6, I will know: what is place and a sense of place: the different perspectives of place - insider and outsider: the different categories of place.	/02/25 - (WK 1) /02/25 - (WK 2)	Key Vocabulary Sustainable urban living Key Vocabulary	Extra reading; Questions. Homework Extra reading; Questions.
what air pollution is and policies to reduce them. Extended Task. In LP3.5, I will know: the nature and features of sustainable urban areas; an example of a sustainable urban area. strategies for developing more sustainable cities. In LP3.6, I will know: what is place and a sense of place: the different perspectives of place - insider and outsider: the different categories of place.
