PRT Task 1

PRT Task

Learning Programme 5		
The LORIC skill focus for his LP is: COMMUNICATION.		Literacy:
The Moral Virtues focus for this LP are: COURAGE and HUMILITY. Courage - Acting with bravery and overcoming fears.		 Capital letters must be used at the sta of sentences and for the first letter of
		proper nouns
Humility - Having a modest view of oneself.		Full stops must be used at the end o
What will I be learning about in this Learning Programme? How plants and animals protect themselves from, and fight off disease.		sentenceQuestion marks must be used at the
		end of a question
		Apostrophes should only be used for
Where have I seen this learning before?		possession or omissionDays of the week and months must
You have covered immune system in GCSE.		spelled correctly
		 Key words must be spelled correctly
What could I use it for?		
f you do a degree in medicine or immunology you will use this knowledge.		
n LP5.1, I will know: 12/05/25 - (WK 1) he different types of pathogen that can cause communicable diseases in plants and animals;	Key Vocabulary	Homework
the transmission of animal and plant communicable pathogens.		Exam questions on pathogens.
	Cardiovascular	
n LP5.2, I will know: 19/05/25 - (WK 2)	Key Vocabulary	Homework
Dant defences against pathogens;	Key Vocabulary	Exam questions on plant defences.
the primary non-specific defences against pathogens in animals.		
	Pathogen	
P5 RLW, I will: 02/06/25 - (WK 1)		
review my learning, recalling and applying key knowledge, and focus on closing any gaps in my knowledge.		
In LP5.3, I will know: 09/05/25 - (WK 2)	Key Vocabulary	Homework
the structure and mode of action of lymphocytes and antibodies;		Exam questions on lymphocytes.
the structure and mode of action of phagocytes.		
	Phagocyte	
Extended Task.		
Extended Task. In LP5.4, I will know: 16/06/25 - (WK 1)	Key Vocabulary	Homework
In LP5-4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far;	Key Vocabulary	Homework
In LP5.4, I will know: 16/06/25 - (WK 1)	Key Vocabulary	Homework
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far;	Key Vocabulary	Homework
in LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task.		
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2)	Key Vocabulary Key Vocabulary	Homework
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity;		Homework
n LPS.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LPS.5, I will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity;		Homework
n LPS.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LPS.5, I will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity;	Key Vocabulary	Homework
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity; the differences between active and passive immunity and between natural and artificial immunity.	Key Vocabulary	Homework
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity; the differences between active and passive immunity and between natural and artificial immunity. n LP5.6, I will know: 30/06/25 - (WK 1) the principles of vaccination and the role of vaccination programmes in the prevention of epidemics;	Key Vocabulary Lymphocyte	Homework Exam questions on the immune system
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity; the differences between active and passive immunity and between natural and artificial immunity. n LP5.6, I will know: 30/06/25 - (WK 1) the principles of vaccination and the role of vaccination programmes in the prevention of epidemics;	Key Vocabulary Lymphocyte Key Vocabulary	Homework Exam questions on the immune syster Homework
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity; the differences between active and passive immunity and between natural and artificial immunity. n LP5.6, I will know: 30/06/25 - (WK 1) the principles of vaccination and the role of vaccination programmes in the prevention of epidemics;	Key Vocabulary Lymphocyte	Homework Exam questions on the immune syster Homework
n LPS.4, I will know: 16/06/25 - (WK 1) omplete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LPS.5, I will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity; he differences between active and passive immunity and between natural and artificial immunity. n LPS.6, I will know: 30/06/25 - (WK 1) he principles of vaccination and the role of vaccination programmes in the prevention of epidemics; he benefits and risks of antibiotics to manage bacterial infection.	Key Vocabulary Lymphocyte Key Vocabulary	Homework Exam questions on the immune syster Homework
n LP5.4, I will know: 16/06/25 - (WK 1) omplete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity; he differences between active and passive immunity and between natural and artificial immunity. h LP5.6, I will know: 30/06/25 - (WK 1) he principles of vaccination and the role of vaccination programmes in the prevention of epidemics; he benefits and risks of antibiotics to manage bacterial infection. xtended Task. n LP5.7, I will know: 07/06/25 - (WK 2)	Key Vocabulary Lymphocyte Key Vocabulary	Homework Exam questions on the immune syster Homework
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity; he structure and mode of active and passive immunity and between natural and artificial immunity. n LP5.6, I will know: 30/06/25 - (WK 1) he principles of vaccination and the role of vaccination programmes in the prevention of epidemics; he benefits and risks of antibiotics to manage bacterial infection. ixtended Task. n LP5.7, I will know: 07/06/25 - (WK 2)	Key Vocabulary Lymphocyte Key Vocabulary Vaccination	Homework Exam questions on the immune syster Homework Exam questions on vaccinations.
In LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. In LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity; the differences between active and passive immunity and between natural and artificial immunity. In LP5.6, I will know: 30/06/25 - (WK 1) the principles of vaccination and the role of vaccination programmes in the prevention of epidemics; the benefits and risks of antibiotics to manage bacterial infection. Extended Task. In LP5.7, I will know: 07/06/25 - (WK 2)	Key Vocabulary Lymphocyte Key Vocabulary Vaccination	Homework Exam questions on the immune syster Homework Exam questions on vaccinations.
In LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. In LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity; the differences between active and passive immunity and between natural and artificial immunity. In LP5.6, I will know: 30/06/25 - (WK 1) the principles of vaccination and the role of vaccination programmes in the prevention of epidemics; the benefits and risks of antibiotics to manage bacterial infection. Extended Task.	Key Vocabulary Lymphocyte Key Vocabulary Vaccination	Homework Exam questions on the immune syster Homework Exam questions on vaccinations.
In LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. In LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity; the differences between active and passive immunity and between natural and artificial immunity. In LP5.6, I will know: 30/06/25 - (WK 1) the principles of vaccination and the role of vaccination programmes in the prevention of epidemics; the benefits and risks of antibiotics to manage bacterial infection. Extended Task. In LP5.7, I will know: 07/06/25 - (WK 2) work experience week.	Key Vocabulary Lymphocyte Key Vocabulary Vaccination	Homework Exam questions on the immune syster Homework Exam questions on vaccinations.
In LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; review and improve my knowledge by completing a pupil response task. In LP5.5, I will know: 23/06/25 - (WK 2) the structure and mode of action of humoral immunity; the differences between active and passive immunity and between natural and artificial immunity. In LP5.6, I will know: 30/06/25 - (WK 1) the principles of vaccination and the role of vaccination programmes in the prevention of epidemics; the benefits and risks of antibiotics to manage bacterial infection. Extended Task. In LP5.7, I will know: 07/06/25 - (WK 2) work experience week.	Key Vocabulary Lymphocyte Key Vocabulary Vaccination Key Vocabulary	Homework Exam questions on the immune syster Homework Exam questions on vaccinations.
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LP5.5, I will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity; he structure and passive immunity and between natural and artificial immunity. n LP5.6, I will know: 30/06/25 - (WK 1) he principles of vaccination and the role of vaccination programmes in the prevention of epidemics; he benefits and risks of antibiotics to manage bacterial infection. Extended Task. n LP5.7, I will know: 07/06/25 - (WK 2) work experience week.	Key Vocabulary Lymphocyte Key Vocabulary Vaccination Key Vocabulary	Homework Exam questions on the immune syste Homework Exam questions on vaccinations.
n LPS.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LPS.5, I will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity; he structure and passive immunity and between natural and artificial immunity. n LPS.6, I will know: 30/06/25 - (WK 1) he principles of vaccination and the role of vaccination programmes in the prevention of epidemics; he benefits and risks of antibiotics to manage bacterial infection. Extended Task. n LPS.7, I will know: 07/06/25 - (WK 2) vork experience week.	Key Vocabulary Lymphocyte Key Vocabulary Vaccination Key Vocabulary	Homework Exam questions on the immune syster Homework Exam questions on vaccinations.
n LP5.4, I will know: 16/06/25 - (WK 1) complete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LP5.5, 1 will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity; he differences between active and passive immunity and between natural and artificial immunity. n LP5.6, 1 will know: 30/06/25 - (WK 1) he principles of vaccination and the role of vaccination programmes in the prevention of epidemics; he benefits and risks of antibiotics to manage bacterial infection. extended Task. n LP5.7, 1 will know: vork experience week.	Key Vocabulary Lymphocyte Key Vocabulary Vaccination Key Vocabulary	Homework Exam questions on the immune syster Homework Exam questions on vaccinations.
n LPS.4, I will know: 16/06/25 - (WK 1) omplete an assessment in my learning so far; eview and improve my knowledge by completing a pupil response task. n LPS.5, I will know: 23/06/25 - (WK 2) he structure and mode of action of humoral immunity; he differences between active and passive immunity and between natural and artificial immunity. n LPS.6, I will know: 30/06/25 - (WK 1) he principles of vaccination and the role of vaccination programmes in the prevention of epidemics; he benefits and risks of antibiotics to manage bacterial infection. xtended Task. n LPS.7, I will know: 07/06/25 - (WK 2) rork experience week.	Key Vocabulary Lymphocyte Key Vocabulary Vaccination Key Vocabulary d-the-immune-system	Homework Exam questions on the immune syster Homework Exam questions on vaccinations. Homework
