

To act justly, to love with mercy and to walk humbly with our God – Micah 6:8

April 2025

Dear Parent/Carer,

We are delighted to welcome you and your child to the Ellesmere Port Church of England College and we look forward to working with you to support your child over the course of the next 7 years. Our Year 7 pupils settle in really well and immediately become part of our amazing EPC family where each and every person is valued.

The transition from primary to secondary school can be daunting but here at EPC we take great pride in ensuring that this vital period allows your child to take on the challenges of their new school with confidence.

Members of my Senior Leadership Team are currently in the process of arranging meetings with all Year 6 teachers and other key staff from the Primary Schools who are able to tell us all about your child. They speak so passionately about their pupils and their depth of knowledge helps us greatly in ensuring a smooth move from Primary to Secondary school.

We have planned the transition activities for this year to ensure that we get to know the pupils as quickly as possible.

- We will be launching the Transition section of our Website in early May which will contain all of the information you will need to help you with the transition process.
- We will be holding two transition days on 2nd and 3rd of July where your child will spend 2 school days here with us at EPC.
- We will be holding a Parents Evening on 3rd July for you to meet myself, my Senior Leadership Team, your child's Head of Learning and also their Form Tutor.

Throughout the transition process, we want to be able to answer questions, address any concerns from pupils and parents and ensure that all pupils are ready, prepared, confident and excited for their first day in September. You can email transition@epcollege.org at any time with questions that you would like an answer to.

We will keep in contact regarding plans for September and update you with answers to any common questions being raised.

If you have any further queries, please do not hesitate to contact us.

Yours sincerely

Mr J Gatrell
Head of School
