

Year 11 Health and Social Care

Learning Programme 1

The LORIC skill focus for his LP is: LEADERSHIP The Moral Virtues focus for this LP are: COURAGE and HUMILITY.			Literacy Non-Negotiables: • Capital letters must be used at the start of sentences and for the first letter of proper nouns • Full stops must be used at the end of a sentence • Question marks must be used at the end of a question • Apostrophes should only be used for possession or omission • Days of the week and months must be spelled correctly • Key words must be spelled correctly • Vocabulary to be taught using the Frayer model
Courage - Acting with bravery and overcoming fears. I will show courage by answering a question in class even when I'm not 100% sure of the answer.			
Humility - Having a modest view of oneself. I will show humility by admitting mistakes and asking for help when needed.			
What will I be learning about in this Learning Programme? I will be learning how different professionals and job holders work together to meet the needs of individuals and have an understanding of the skills, attributes and values required to provide quality care is essential to uphold standards.			
Where have I seen this learning before? I would have seen this learning last year and I might also know someone who has used health and social care services			
What could I use it for? I could use this to complete my component 2 PSA coursework			
In LP1.1, I will know: 01/09/26 - (WK 1) Key Vocabulary Homework			
how secondary healthcare services could meet the needs of a 13 year old with a physical impairment of the jaw that has caused misaligned teeth and difficulty speaking clearly.		Physical Impairment	Complete further research for how secondary care services can support the individual
