

Year 12 Health and Social Care Learning Programme 1

The LORIC skill focus for his LP is: LEADERSHIP The Moral Virtues focus for this LP are: COURAGE and HUMILITY. Courage - Acting with bravery and overcoming fears. I will show courage by answering a question in class even when I'm not 100% sure of the answer. Humility - Having a modest view of oneself. I will show humility by admitting mistakes and asking for help when needed.			Literacy Non-Negotiables: • Capital letters must be used at the start of sentences and for the first letter of proper nouns • Full stops must be used at the end of a sentence • Question marks must be used at the end of a question • Apostrophes should only be used for possession or omission • Days of the week and months must be spelled correctly • Key words must be spelled correctly • Vocabulary to be taught using the Frayer model
What will I be learning about in this Learning Programme? The organisation, structure and normal physiological function of the human body, and the effects on health of common disorders of body systems. Where have I seen this learning before? GCSE biology and during KS4 health and social lessons What could I use it for? Completing the Unit 2 Human Biology and Health exam			
In LP1.1, I will know: 01/09/26 - (WK 1) and understand the structure of animal cells and the function of organelles to include: Membrane, nucleus, ribosomes and mitochondria			
Key Vocabulary Homework Organelles Create revision resources to support your revision			
In LP1.2, I will know: 07/09/26 - (WK 2) and understand the structure, location in organs and organ systems and function of the main tissue types			
Key Vocabulary Homework Tissue Create revision resources to support your revision			
In LP1.3, I will know: 14/09/26 - (WK 1) and understand homeostatic mechanisms, blood glucose regulation and thermoregulation			
Key Vocabulary Homework Homeostatic Mechanisms Create revision resources to support your revision			
Extended Task.			
In LP1.4, I will know: 21/09/26 - (WK 2) and understand energy metabolism, cellular respiration and uses of energy in the body			
Key Vocabulary Homework Energy Metabolism Create revision resources to support your revision			
In LP1.5, I will know: 28/09/26 - (WK 1) how to revise in preparation for my mini mock on Learning Aim A			
Key Vocabulary Homework Cellular Respiration Create revision resources to support your revision			
In LP1.6, I will know: 05/10/26 - (WK 2) how to answer questions in a mini mock on Learning Aim A			
Key Vocabulary Homework Blood Glucose Regulation Revise for mini mock on Learning Aim A			
Extended Task.			
In LP1.7, I will know: 12/10/26 - (WK 1) how to create revision resources to support with my exam preparation			
Key Vocabulary Homework Thermoregulation Create revision resources to support your revision
