In LP2.1, I will know: 19/10/26 - (WK 2)	Key Vocabulary	Homework
the main components, structure and functions of the cardiovascular system; the heart and cardiac cycle; the function of blood vessels: arteries, veins, capillaries; and understand what plasma, red blood cells, white blood cells and plateles are.	Cardiovascular System	Produce revision resources to support with your exam preperation
In LP2.2, I will know: 02/11/26 - (WK 1)	**Key Vocabulary**	**Homework**
the main components, structure and functions of the respiratory system; the structure and function of the trachea, lungs, including the bronchi, bronchioles and alveoli; how the action of the diaphragm, ribs and intercostal muscles.	Respiratory System	Produce revision resources to support with your exam preperation
LP2 RLW, I will: 09/11/26 - (WK 2)		
review my learning, recalling and applying key knowledge, and focus on closing any gaps in my knowledge.		
In LP2.3, I will know: 16/11/26 - (WK 1)	**Key Vocabulary**	**Homework**
the main components, structure and functions of the nervous system to include; central nervous system: comprised of brain and spinal cord; and understand the peripheral nervous system. Extended Task.	Nervous System	Produce revision resources to support with your exam preperation
In LP2.4, I will know: 23/11/26 - (WK 2)	**Key Vocabulary**	**Homework**
the main components, structure and functions of the endocrine and renal system; the role of the hypothalamus in controlling the endocrine system.	Endocrine System	Produce revision resources to support with your exam preperation
In LP2.5, I will know: 30/11/26 - (WK 1)	**Key Vocabulary**	**Homework**
the main components, structure and functions of the musculoskeletal system; how ligaments, tendons and carilage provide support.	Renal System	Produce revision resources to support with your exam preperation
In LP2.6, I will know: 07/12/26 - (WK 2)	**Key Vocabulary**	**Homework**
the main functions of the four remaining body systems; how the immune system: role in fighting infection; how the lymphatic system manages fluid levels. Extended Task.	Musculoskeletal System	Produce revision resources to support with your exam preperation
In LP2.7, I will know: 14/12/26 - (WK 1)	**Key Vocabulary**	**Homework**
how to revise, take and review mini mock on learning aim B.	Reproductive System	Produce revision resources to support with your exam preperation

PRT Task 1

PRT Task 2

Resources to support learning:
Pearson BTEC AAQ National Health and Social Care Student Book;
BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zbp2scw

FFET Award Challenge for this Learning Programme:
Create a leaflet on Body systems and how they suport body functions.
